Type Signature

3

The image shows a digital signature capture interface. At the top, it says "Enter Signature: Signature Required". Below that is a light blue instruction bar: "Please click the PDF link to sign." The main area is a grey form with a "clear" button. A red circle with the number "1" is next to a checked "Accept" checkbox. Below this is a "Signature" field with a "Type Signature" prompt. A red circle with the number "2" is positioned above the signature field. At the bottom, a blue circle with the number "3" is next to an "Accept" button.

**Note:** If only one request is recalled, the other request will remain.

## Document Review

The screenshot displays a document review interface. At the top, there are two tabs: "Requested" (active) and "Signed". Below the tabs, there are two document review cards. The first card is for "IEP.pdf" and "IEP", with an "Accept" button. The second card is for "IEP Parent Statement.pdf" and "IEP Parent Statement", with "Accept" and "Reject" buttons. A "Signature" field is visible between the cards. At the bottom, there is a "Submit" button. A pink banner at the top right says "Please click the PDF link to sign." and a "clear" button is also present.

**Note:** When accessing ParentVUE via a browser on a mobile device, use the scroll bar at the bottom of the window to navigate left/right to ensure that all information is viewed.
